

Just wanted to let you know that Fred Sanders passed away yesterday (10/30) from cancer. He died peacefully according to his daughter, Dorcia Bradley.

When Fred learned of his cancer his doctor gave him just a few months to live. He was very upbeat until the last week when his body started to give out. The last time I talked to him, last week, was the first time I had ever known him to sound not upbeat.

If you care to send his daughter a sympathy card you can send it to her at Fred's address:
