

2025 California State Team Requirements

a) Open team

Shooters must shoot the state shoot and 1000 targets in each of the 12 gauge, 20 gauge, 28 gauge, and .410 bore events, and 500 in the Doubles events to be eligible for selection to the Open Team. This is the same as the National standard for All American Teams.

b) Concurrent Teams LY, JR, TS, SU, SS, SR, VT, ML, RM, MV, FR, RK

Shooters must shoot 600 targets in the 12 Gauge, 20 Gauge, 28 Gauge and 410 bore and 300 the Doubles events to be eligible for these Concurrent Teams.

c) Concurrent Teams SJ, SV

Shooters must shoot 400 targets in each of the 12, 20, 28 and 410 gauges, and 200 doubles to be eligible for these Concurrent Teams.

d) Concurrent Team VV

Shooters must shoot 400 total targets regardless of gauge or Doubles to be eligible for this Concurrent Team.

e) Number of teams

There will generally be only one Team in each category. If there are more than 20 shooters who qualify for a given team, then a Second Team will be awarded. More than 40 eligible will merit an Honorable mention team.

f) Multiple Team Awards

Teams are generally limited to 5 shooters. If a shooter qualifies as a member of more than one team, their presence will not prevent an otherwise eligible shooter's inclusion on the lower ranked team (order is Open, LY, Age concurrents, Military, FR, RK). Example: If one or more Ladies are on the open team, then five additional ladies will be eligible for the Ladies Team, and the Lady with the highest average on the Open Team will be Captain of the Ladies Team.
